

# Smile Makeover Award

Dr. Shane Sykes is a finalist nominee for the 2012 Young Dentist of the Year award. As a result, he has been invited to participate in a Smile Makeover educational experience with Dr. David Hornbook.

We have been asked to select a patient from our practice or our community who we believe deserves a Smile Makeover... someone who normally could not afford it. They will then travel (all expenses paid) with Dr. Sykes on two separate trips to San Diego where they will receive a smile transformation. **The total value of the donated services exceeds \$15,000.**

This individual must be in good medical health and able to tolerate 4-5 hours of “dental chair” time without sedation. Both trips to San Diego will occur in the spring of 2012, with preparatory and follow-up care provided in our office locally. If you feel you are a good candidate for this service, please email us a note telling us about yourself and explaining how you feel a smile makeover would change your life and what that would mean to you. You can send your message to [Stephanie@TheRenoDentist.com](mailto:Stephanie@TheRenoDentist.com) or stop by in person. All applicants will be evaluated for suitability.

We look forward to helping you smile!
